Item 8.01 Other Events

In June 2006, the Board of Directors of Anadarko Petroleum Corporation (the "Company") approved a plan to sell its Canadian oil and gas operations. In accordance with applicable accounting standards, such assets and operations have been treated as discontinued operations for financial statement reporting purposes beginning in the quarterly period ended June 30, 2006.

In May 2006, the Company's shareholders approved a two-for-one stock split (the "stock split") to be effected in the form of a stock dividend. The distribution date was May 26, 2006 to stockholders of record on May 12, 2006.

Applicable accounting standards require that discontinued operations and stock splits be reflected retroactive to prior periods. Accordingly, the Company has recast the audited financial statements for each of the three years in the period ended December 31, 2005 presented in Item 8 of its Annual Report on Form 10-K for the fiscal year ended December 31, 2005, filed with the Securities and Exchange Commission (SEC) on March 3, 2006 (the "2005 Annual Report"), to reflect the Company's Canadian operations as discontinued operations and to reflect the stock split in all periods.

The recast financial statements are filed as Exhibit 99 to this report and incorporated herein by reference. Except with respect to the limited matters described above, no other changes have been made to the 2005 Annual Report. This report should be read in conjunction with the portions of the 2005 Annual Report that have not been recast herein.
